

Bangladesh Flag Colouring Page

Very Easy

COLOUR GUIDE

- 1  **Red** The circle — but slightly left of centre
- 2  **Dark green** The whole background

DID YOU KNOW?

Green represents the **lush green landscape** of Bangladesh.

The red circle represents the **rising sun** and the blood of those who fought for independence.

Bangladesh became independent in **1971** after a war with Pakistan.

The red circle is placed **slightly to the left** so it looks centred when the flag flies in the wind.
