COLOUR GUIDE

- 1  **Blue** Top and bottom sections
- 2  **Black** The horizontal band in the centre
- 3  **White** The thin borders either side of the black band

DID YOU KNOW?

Botswana has the **largest elephant population** in the world — over 130,000!

Botswana is the world's **largest producer of diamonds** by value.

The blue represents **water and rain** — very precious in this dry country.

The black and white bands represent the **racial harmony** of the Botswana people.
