DID YOU KNOW?

The Dominican Republic is the **only country in the world with a Bible on its flag**. In the real coat of arms, the shield holds an open Bible with a small cross above it.

The shield is framed by a **laurel branch** (for victory) on one side and a **palm branch** (for peace) on the other.

The **blue** stands for liberty, the **red** for the blood of heroes, and the **white cross** for salvation and faith.

The country shares the island of **Hispaniola** with Haiti. It's where Christopher Columbus first landed in the Americas in 1492.
