DID YOU KNOW?

The **rising sun** stands for the dawn of hope and freedom for Malawi and for the whole of Africa. It has 31 rays.

The colours each have a meaning: **black** for the people of Africa, **red** for the blood shed for freedom, and **green** for Malawi's evergreen nature and land.

Malawi is home to **Lake Malawi**, one of the largest lakes in Africa. It's nicknamed the 'Lake of Stars' and is full of colourful little fish called cichlids.

Malawi is known as the '**Warm Heart of Africa**' because its people are famous for being so friendly and welcoming.
