DID YOU KNOW?

The three **towers** on the flag are real! They stand on the three peaks of **Mount Titano** and are called Guaita, Cesta and Montale. You can still visit them today.

The word on the scroll is '**LIBERTAS**', which means **liberty** (freedom). The white stands for peace and the clouds, and the blue for the sky.

San Marino is one of the **smallest countries in the world** — you could drive across it in about 20 minutes! It sits completely surrounded by Italy.

San Marino says it is the **oldest republic in the world**, founded way back in the year 301 — over 1,700 years ago — by a stonemason named Marinus.
